GREETINGS!

SAS Savvy August Newsletter

CDISC-TRAINING.COM, LEARN-SAS-ONLINE.COM and SAS-TUTOR.SAS are now part of SASSAVVY.COM family!

I am happy to announce the addition of three new domain names to make it easier for SAS programmers to find SASSavvy.com. Now, weather you enter cdisc-training.com, learn-sas-online.com or sas-tutor.com, you will be redirected to SASSavvy.com, the premier SAS and CDISC mentor site.

Because of our increased annual memberships, SAS Savvy was recognized as a best practices site for membership growth by Wild Apricot.

At the completion of my UCSD CDISC online class, I am happy to receive this quote from one of my students -

"Thanks for the class, it has been great for filling in the blanks in my knowledge (which were considerable!) and making me feel more confident about the CDISC systems!", Cheers, Jocelyn Baker, UCSD Extension Online class student, Summer 2015

See who likes SAS Savvy:

Naresh Chowdary Cherukumalli likes SAS Savvy.

Mahesh Kumar likes SAS Savvy.

Nagaraj Sandra likes SAS Savvy. .

Help spread the word about SAS Savvy. Missed the recent SAS Savvy Open House? Watch the video recording now and see what's new.

To continue to navigate SAS Savvy, you can use the standard left side menu or the new Site Mind Map which should take you to each page.

SAS Job Aids	SAS Programming Tasks	Savvy Resources

These are the three levels to fit all SAS programmers. I hope these levels make it easier to find SAS papers and tips to address your questions and needs. Let me know what you think. Remember, free SAS technical support is just an e-mail away.

Beginner SAS Programmer

Advanced SAS Programmer

Macro SAS Programmer

SAS Savvy Updates

Below are updates made in August. Cannot wait till the end of the month for updates? You can subscribe to free daily updates.

1. See my book review of Exercises and Projects for The Little SAS Book, Fifth Edition.

http://www.sas.com/storefront/aux/en/splsbex/67330_review.html

2. On the Proc CPORT and PROC CIMPORT page, I added a link to review the SAS transport file spec.

3. I just added a common frequently asked question on SAS on the Unix - how to create a symbolic link.

4. I added a common frequently asked question for Proc Transpose - Is the BY statement required? Check the answer and example if you are curious.

5. On the Proc FREQ page, I added a table of ORDER= options to display frequency counts by order of frequency.

6. Recently, I was asked to write a book review for the new book by Phil Holland - SAS Programming and Data Visualization Techniques.

SAS Savvy Training

SAS Savvy training covers new SAS topics and requests. Please see the video recording if you missed the live session. Below is the schedule for the next training sessions. As always, please e-mail me your favorite topic.

SDTM Overview
24 Sep 2015 11:00 AM • webinar

Applying SAS program validation techniques
08 Oct 2015 11:00 AM • webinar

Compare and Conquer Key SDTM and ADaM Variables
19 Nov 2015 11:00 AM • webinar

Dress up your data values and summary tables with SAS formats.
03 Dec 2015 11:00 AM • Webinar

Sincerely, Sunil Gupta, SAS Savvy Mentor
