[SASSAVVY.COM](http://SASSAVVY.COM) - THE RIGHT SOLUTION AT THE RIGHT TIME

"Sunil has a unique ability to break down complex ideas into simple, quickly understandable concepts. He's one of my SAS Heros!",  
*Tricia Aanderud, Business Intelligence Notes*

At [SAS Savvy](#), we are SAS® certified professionals with direct hands-on pharmaceutical programming and FDA submission experience. Our members, from entry to senior level SAS Programmers, have learned and applied SAS Savvy practical tips and techniques in their daily SAS programming tasks for quick results!

## Flexible solutions for Your business needs

### SAS® and CDISC MENTORING PROGRAM

SASSavvy.com offers over 50 member's only web pages containing over 2,000 best practices links, SAS® technical papers and tips to help you find SAS® and CDISC answers quicker.

**To better meet your needs, there are two membership plans, basic and premium. Both plans come with free online technical support.**

The premium plan includes free live online webinar training on SAS® and CDISC techniques as well as access to over 40 previously recorded webinars.

### Access to PHARMA CONSULTANT

Ready to take advantage of over 25 years of my experience in the pharmaceutical industry working on major FDA drug submissions?

Gain insights and knowledge about working with CDISC domains such as labs, adverse events, vitals and other clinical trials data to improve data quality and statistical analysis.

Corporate accounts and international members are welcome!

### [NEW TO SAS® and CLINICAL DATA](#)

Preparing for a job technical interview? Interested in jump starting your SAS career with an online Technical Mentor? Take advantage of college student discount rate.

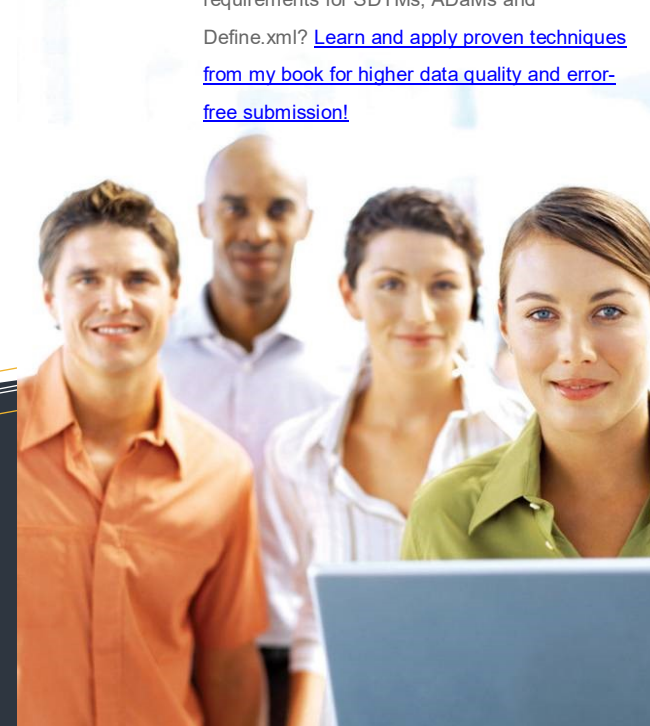

### [MASTER SAS® PROGRAMMING](#)

Interested in preparing for SAS® certification exams? Learn multiple ways to master common SAS® programming challenges from the SAS® expert who wrote two books on SAS exam preparation, [Sharpening Your SAS Skills](#), and [Sharpening Your Advanced SAS Skills](#).

### [MASTER CDISC TECHNIQUES](#)

Interested in understanding CDISC compliance requirements for SDTMs, ADaMs and Define.xml? [Learn and apply proven techniques from my book for higher data quality and error-free submission!](#)

WE'VE WORKED WITH A DIVERSE CUSTOMER BASE. HOW CAN WE HELP YOU?

At SAS Savvy, our SAS and CDISC mentoring program is world class with professional and personal service
