GREETINGS!

SAS Savvy April Newsletter

Graduation is around the corner

SAS Savvy congratulates all graduates and wishes them well!

Education and determination pay off with big rewards. Recent graduates are better prepared for today's challenging positions by being certified in base, advanced and clinical trials exams. Next to industry experience, these certifications show a commitment to excellence!

SAS Savvy thanks Vincent Berg for being a loyal premium member since April 2012!

New member quotes

'SAS Savvy is a great resource. There's so much on there. I'm glad you have a search facility but it's fun just to browse through too.', Phil Hall, Senior SAS Programmer, Edwards LifeSciences

'Hi sir, i am really happy to meet people like you who have best approach to guide people as a clinical sas programmer.i'm new to this group.i did my clinical sas training and looking for opportunities.', Sruthi

If you missed the recent popular presentation, you can view the [video recording](#) to see how SAS Savvy provides an invaluable resource to save you 30% in SAS programming by leveraging your SAS experience and building on your knowledge. See the recent [SAS SAVvy Open House video recording](#) if you missed it.

To continue to navigate SAS Savvy, you can use the standard left side menu or the new Site Mind Map which should take you to each page.

SAS Job Aids	SAS Programming Tasks	Savvy Resources
------------------------------	---------------------------------------	---------------------------------

These are the three levels to fit all SAS programmers. I hope these levels make it easier to find SAS papers and tips to address your questions and needs. Let me know what you think. Remember, free SAS technical support is just an e-mail away.

[Advanced SAS Programmer](#)

[Macro SAS Programmer](#)

SAS Savvy Updates

Below are updates made in April. Cannot wait till the end of the month for updates? You can subscribe to [free daily updates](#).

1. On the [SAS Certification](#) page, I added a SAS paper to show example questions.
2. On the [PROC SQL](#) page, I included a link to a nice presentation on The Power of PROC SQL.
3. See the benefits of applying SAS Savvy tips in this article on [How to Convince Your Boss to Invest in Intranet Software for Your Small Business](#).
4. On the [Excel](#) page, I added some SAS papers and on the common FAQs page, I added syntax to create multiple sheets in an excel file.
5. Across all pages, I started adding links to papers from the recent SAS Global Forum conference.

SAS Savvy Training

SAS Savvy training covers new SAS topics and requests. Please see the video recording if you missed the live session. Below is the schedule for the next training sessions. As always, please [e-mail](#) me your favorite topic.

[How do you PROC COMPARE your output?](#)
